Trends, Forecast and Growth Initiatives that Impact Your Business

PRESENTERS:

Anirban Basu, Chief Economist to National Associated Builders and Contractors and Chief Economic Advisor to the National Construction Financial Management Association.

Basu will provide a detailed, data driven update of the performance of the global, national and our regional economy. Special attention will be given to key aspects of economic life, including trends characterizing financial, real estate, energy, and labor markets.

Carmen Lorentz, Director NH Division of Economic Development. The Division of Economic Development offers a variety of programs to support the growth of companies and to attract and facilitate the relocation of new companies into the state. Carmen will provide an overview and awareness of the state strategic plan for economic growth and efforts to create a sustained economic development program.
